1966

'Neath the range of mighty
mountains,
Reared against the sky,
Stands our Alma Mater
As the years go by.
Forward ever be our watchword—
Conquer and prevail.
Hail to thee our Alma Mater,
Walla Walla, Hail.

Administration

This year's senior class will be the last Walla Walla High School students to have had the experience of starting their high school careers in the old building and finishing in our new modern plant. The "Royal Blue" has given you an accurate, pictorial record of this transition from the old to the new.

We are celebrating our seventy-fifth anniversary this year, and the "Royal Blue" through the years has given us insight into the many fine traditions we have established during these seventy-five years. Some new innovations were established this year, and it will be interesting to see if they will stand the test of time and become traditions. The "Royal Blue" is one of our finest traditions, and this year's staff is to be commended once again for giving us a vivid picture of our progress and achievement for the year.

Best wishes, seniors, for your continued success and may your transition from high school to other endeavors be as successful as your transition from the old to the new.

Congratulations to the graduate! In our rapidly changing society, it is difficult to overestimate the importance of education. Adaptation to the changing world is dependent upon education; re-education and continuing education. It is not unrealistic to predict for your generation outposts on the moon, 200-mile-an-hour commuter trains and 200-passenger ocean jets, hemispheric common markets and a cybernated economy.

Your faculty and administrators have given you an opportunity to learn how to compete in a rapidly changing world; however, it will require a lifelong education and retraining to meet the demands of the future.

We hope that we have developed in each individual the knowledge, interests, ideals, habits and powers whereby you will find your place in a changing society and use that place to shape both yourself and society to noble ends. Man's destiny appears to depend upon his acquisition and use of knowledge.

Interested in being an exchange student with the United States, I applied through the International Christian Youth Exchange program and six months later heard that I would be attending Wa-Hi. Looking back, I find this time has given me much experience and many impressions. I shall always remember the year I attended your wonderful school. To know all 1600 of you is not possible, but if you ever should come to Norway, I hope you will find where I live.

Exchange and Foreign Students

It is wonderful to be accepted and warmly welcomed in a strange country! During my brief stay, I have learned to love the United States almost as much as I love my own country, not only because of the beauty of the country itself, but mainly because of the beauty of the friendliness and simplicity of its people. When I first came to the United States, I found the snowy winters quite exciting, since I had never seen them before.

Knowledge is like a river which becomes deeper and larger according to different tributaries pouring into it from different areas. From my experience I have learned not to believe all I hear. Here a student has more opportunity to learn what they want with such subjects as music, typing, sports and driving, while in my country a student is obliged to take certain courses until he finishes high school. I am thankful for the opportunity to come here to school and have found the people kind and understanding.

Pep Squad

Looking back, the memories of the last year return. . . the games, the pep rallies, the frolics, the countless hours spent with paintbrush in hand as our ideas were put up on the gym wall, the many new friends made. We can remember not only the happy moments when the team scored another touchdown, or made the final basket to break the tie, but also the sad moments of defeat, which is truly a test of sportsmanship. Yes, they all seem a blur — the fight song, the noise parades, the times we sang the Alma Mater with misty eyes.

For Wa-Hi, it was a year of change and progression in school spirit. Truly this was one of the most happy and eventful years of our lives.

Royalettes

The dance team, Royalties, originated last spring by Mrs. Jan Kirk, has been an active part of Wa-Hi this year. Under the direction of Mrs. Arlene Smith, Wa-Hi's Royalties developed three routines which were performed at various games and assemblies. The year was highlighted by a trip to Yakima to perform at Davis. This spring Royalties were made available to the community for performances. The year was concluded with several social functions for dance team members.

Diamonds Are Forever

Homecoming 1965, October 25-29, was crowned with Wa-Hi's traditional Homecoming dance, "Diamonds Are Forever." This year it was a victory dance, the mighty Blue Devils tromping the Kennewick Lions 7-0. Homecoming week, celebrating Wa-Hi's 75 years of existence at various locations, started on Tuesday with Lick-the-Lion Day. Wednesday was Kiddies Day, climaxed by the first annual Wa-Hi Trike Race. Thursday, the spirit of the week centered around the car smash at noon and in the evening the serpentine winding around the streets of downtown Walla Walla to Borleske Stadium where the bonfire was held. The big day of

Homecoming was Friday, color day. At the afternoon assembly the naming of the royalty, Queen — Dee Dee Patterson, King — Rick Stockstad, Princesses — Pam Pringle, Susie Struthers, Princes — Larry Christensen, Scott McKnight, was the big event. The football players were spurred on to victory by affectionate kisses from the cheerleaders and Jack Riehl was named Fairy Princess as Wa-Hi's most school spirited student. Denny Harmon won distinction in the beard growing contest and was duly shaved by Mr. Hermes. The Live Five from Salem, Oregon, provided the music for the semi-formal "Diamonds Are Forever."

After a dim showing at the annual jamboree in Pasco, Wa-Hi came back to win all her home games and finish number two in the league with a respectable 7-2 season.

Under the fine coaching of Mr. Fletcher, Mr. Neher and Mr. Baker, Wa-Hi started her regular season with a 20 to 13 win over Richland. Much of the credit should go to Dan Smoke, Rich Hays, and Hugh McEachen for their fine defensive line play. The Blue and White then returned home for two big games — downing Kennewick 26-14 and stomping on a strong Caldwell, Idaho, team 21-0. Quarterback Wayne Dickey hit Randy Tysor with three T.D. passes and co-inspirational player Rocky Isley held up the defense. Wa-Hi then dropped the league opener to Eisenhower 7-13 despite strong efforts from Juniors Roger Hart, Gary Owsley, and

Doug Kennedy. Coming back in fine shape, Wa-Hi, led by team captain Garry Christensen, downed Pasco 14-0 and then hit the road for another win, this time over Moses Lake 13-7 with a strong offensive game from co-inspirational player Scott Knight. Homecoming was brightened by a 7-0 win over Kennewick in a rugged defensive battle, reinforced by Dennis Ledford and Steve Reiber. League champs Davis gave Wa-Hi her second and last dump 7-14 despite the end play of Steve Perry and Terry Fine. The Devils wound up their season with a 21-7 win over Richland with Dan Alley booting his 16th point after the touchdown and sophomore Randy McDougall proving himself as a back.

All in all it was a good season which included a clean sweep over the tri-city schools.

Twelve scheduled meets gave the Wa-Hi Cross Country team a full season for 1965. Wa-Hi placed second in one three school meet and second in a four school meet. In the triple meet, Wa-Hi edged out Hermiston 68-70, but Pendleton took first place with 29. Wa-Hi took second in the quadruple meet by beating Moscow 56-70 and Lewiston 56-70. Clarkston placed first with 34.

At the Inland Empire meet at Spokane, Wa-Hi placed 7th out of 24 competing schools with a score of 294 points and 6th at the All-Valley held in Richland. Rich York, Wa-Hi's sterling performer, took 6th place at the Invitational at the University of Idaho. Richland scored two wins over Wa-Hi, the first 20-39 and the second 22-38. Wa-Hi also lost two meets to Kennewick 22-39 and 21-39 and one to Pendleton 20-53.

The JV's won two meets, one by default, and the other 17-40; then took a second in the triple meet and lost one to Richland 15-47. The Kennewick JV's won two meets 16-39 and 15-43. The JV's also lost to Clarkston 15-27.

Rich York, Wa-Hi's top varsity runner and the only Wa-Hi runner to go to state, won nine first places, sixth place at Idaho, seventh place at Spokane, and sixth at state. Rich also set five new course records.

The varsity lettermen included Rich York, followed by Jerry Rea, Ken Crawford, Bill Engeln, Mike Meiners, Jerry Hensley, and Jim Benefiel. The JV lettermen for 1965 were Ray Reid, Greg Scott, Steve Buley, Jeff Buerstatte, and Frank Corkrum.

Led by Rich Averill, 6'4" senior post man who was chosen as co-captain along with Wayne Dickey, senior guard, Wa-Hi's basketball team tied for fourth place in the league, won the playoff with Ike-Hi, then lost 57-55 to Richland in the district tournament at Richland. The Blue Devils had a season record of 9 wins and 11 losses which included the two play-off games with Eisenhower and Richland.

Rich led the team both in scoring with 273/13.6 points and in rebounding with 244. Junior forwards Roger Hart and John Krummel were second and third in scoring with 11.3 and 10.2 points respectively. Krummel was also second in rebounding with 180 rebounds. The usual starting five included Wayne Dickey and Joe Gulstine at guard, John Krummel and Roger Hart at forward, and Rich Averill at center. Generally the first to be called off the bench, Doug Lundebly, a 6'6" 245-lb. junior, did a very good job of scoring and rebounding.

Larry Pierce and Garry Christensen were also first line reserves all season with Pierce getting the starting nod on several occasions.

This was the year of injuries for the Blue Devils with Gary Owsley, Joe Gulstine, Doug Lundebly and Garry Christensen all missing games because of injury or illness. Owsley was lost for the season due to illness.

The highlight of the season had to be the upset victory over Richland 76-62. Also, beating Eisenhower three times and splitting with Kennewick and Richland made the season acceptable. With three lettermen returning plus a very fine J.V. squad, 17-1 record, the picture is bright for the next year according to Coach Kent Matheson.

At the sports banquet March 22nd, Rich Averill received the "most valuable player" award while Joe Gulstine and Wayne Dickey were selected as "most inspirational."

Coaches MR. NEHER and MR. BAKER

The 1965-66 Wa-Hi wrestling team enjoyed a successful season winning ten matches and losing three. Led by senior lettermen Rich York, Rocky Isley, Bob Tate, Bill Korfhage and Steve Minkler, the team posted victories over strong Kennewick, Richland, and Davis wrestling teams. The best individual records for the season were presented by Rich Hays (10-4), Rich York (14-6), Dan Smoke (10-4-1) and Rocky Isley (9-3-1).

Wa-Hi placed second in the sub-district tournament with Rocky Isley and Rich Hays winning first places; Bob Tate, Bill Korfhage and Rich York second places; Greg Scott, Randy McDougall and Steve Reiber third places; and Dan Smoke and Dave Schaub fourth places. The following weekend these boys participated in the district tournament and led Wa-Hi to a fifth place finish. Rocky Isley won a first place and qualified for the state tournament, but an unfortunate leg injury caused his withdrawal from the state meet. Rich York and Bob Tate placed third at the district tournament.

The success of a season is partially due to the junior varsity boys who make the varsity work hard to retain their positions. The junior varsity had a successful season with a record of nine wins and two losses. The thirty-two boys who wrestled on the junior varsity team recorded 74 individual wins against 54 losses.

With a nucleus of ten returning lettermen, the wrestlers are looking forward to the 1966-67 season.

The Journal Is Wa-Hi

THE PEDESTAL, Wa-Hi's first publication, appeared on February 5, 1901. The first issue, a four-page, four-column newspaper, was read in assembly by its editor, Gaius Green-slade. Since that auspicious day 65 years ago, Wa-Hi has enjoyed the services of a school newspaper almost continuously except for the depression years of 1931-35. Although the paper has taken various forms, today's JOURNAL is not unlike its ancestor in size—eight pages, five columns. In content it reflects the increased enrollment, enlarged curriculum and modern facilities of Wa-Hi 1966.

The Advertising Staff handles the business end of the Journal. Here are Mike Anthony, Tim Copeland, Business Manager, Lyle Miller, and Walt Loevenstein.

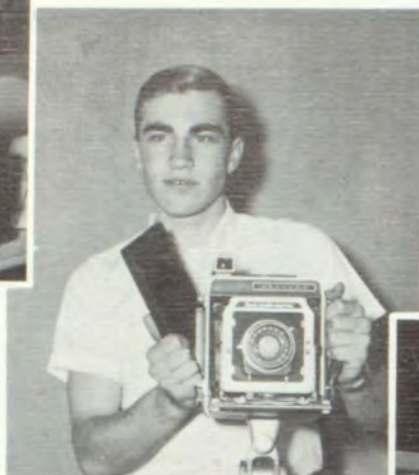

Headlines, features, editorials, exchange papers, and ducks occupy the interest of these JOURNAL staff cubs, Larry Seibold, Bruce Hallmark, Bruce Crist, Janeen Drake, Peggy Coster, Jeff Thomas, Melvin Hickman, and Sandi Christensen. Other apprentices include: Mary Lindsay and Carole Outland.

The 1965-66 *Royal Blue* staff worked hard to make this yearbook truly a surprise for the students of Walla Walla High School. In late August, several *Royal Blue* staff members attended a workshop in Pasco. Then on October 30th, Carol Cross, Lorraine Brassard, Norman Dull, Pete Guyer, Herb Meyer, Dan Snider, Reggie Taschereau and Carl Williams attended the 18th yearbook workshop at the University of Washington, a part of the 2nd annual Publications Conference. The purpose of the conferences was to help yearbook staff members get ideas for making a better yearbook. A head line speaker of national importance highlighted the day. The staff appreciated the response of students and faculty which made this the top year for *ROYAL BLUE* sales. When the ink is dry on the last signature, may the book hold many happy memories for each one.

The Wa-Hi Senior Band began the year with the Frontier Days Parade and the concerts at the Southeastern Washington Fair. It then attended the Jamboree in Pasco and performed at pep assemblies, home game half-time shows, out-of-town games, the Shrine Game, the Second Annual Wheat Bowl Game and various parades.

During the concert season the band was honored as the only high school band in the state to play for the Washington State Music Educators Convention in Spokane.

Other activities were a spring concert, the Milton-Freewater Pea Festival Parade, the band contest at West Valley High School in Yakima and the final performance, graduation.

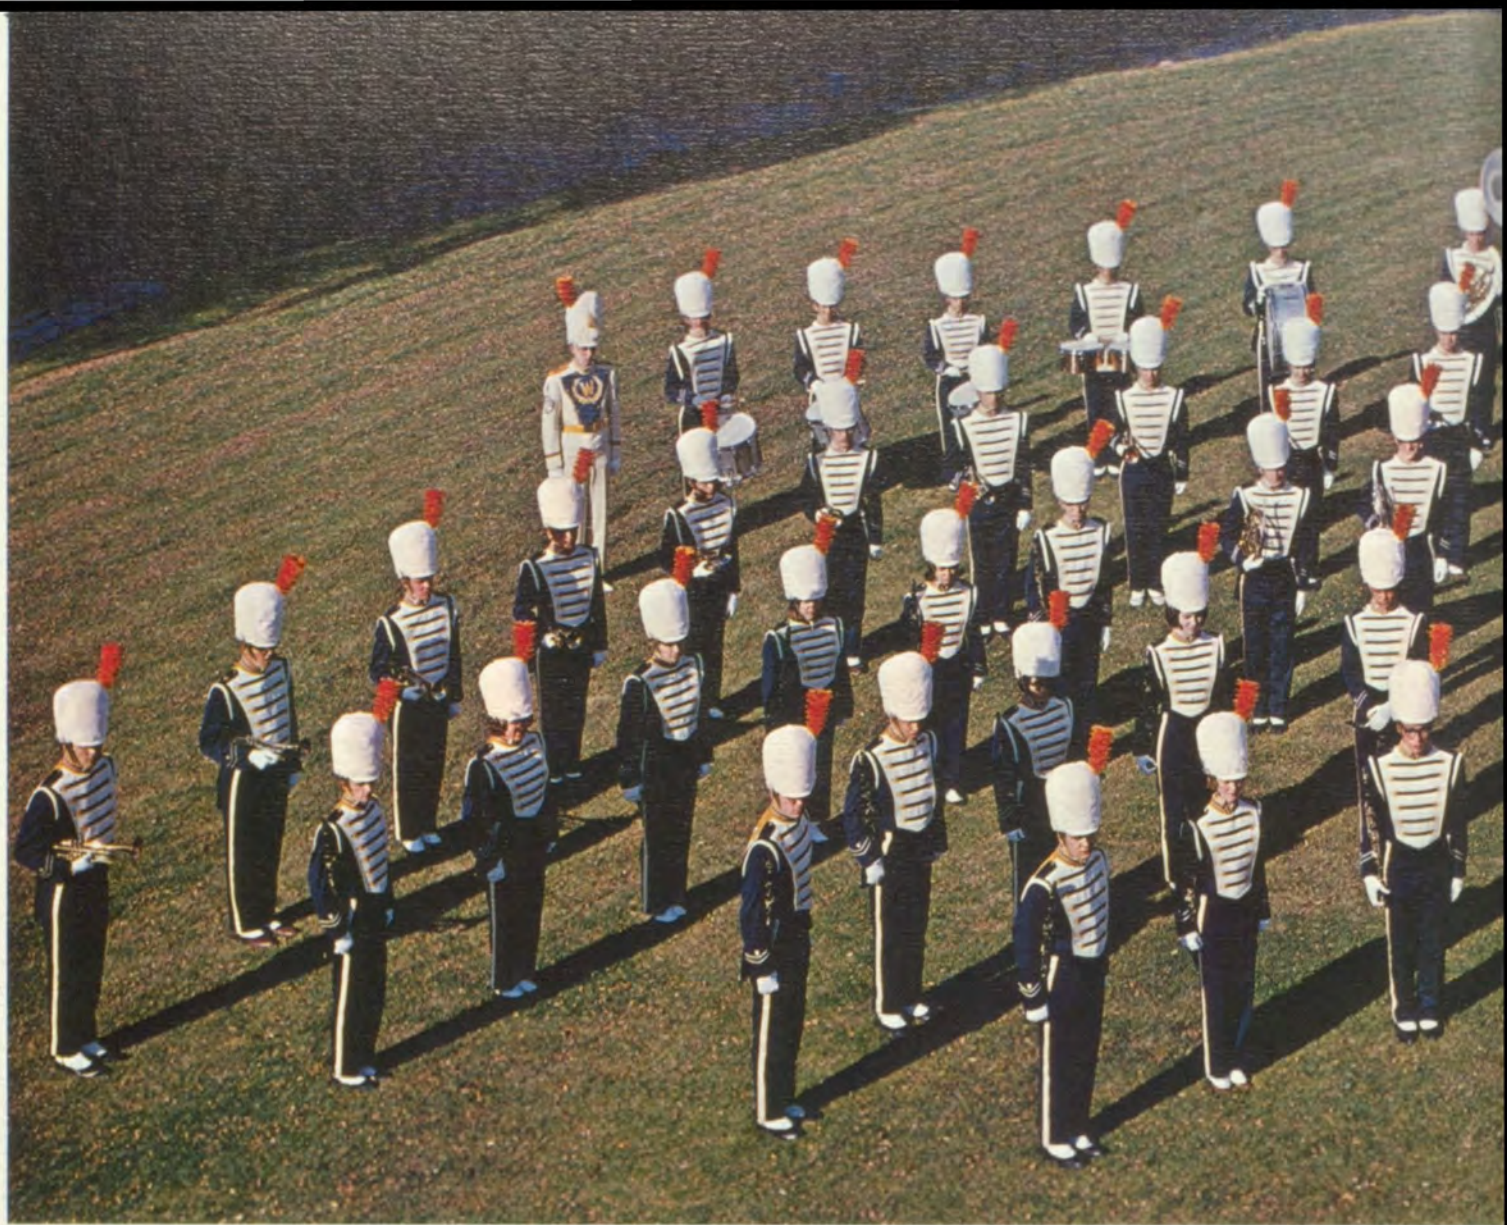

The Pep Band played at assemblies and basketball games while the Dance Band performed for a Christmas Dance at Dayton.

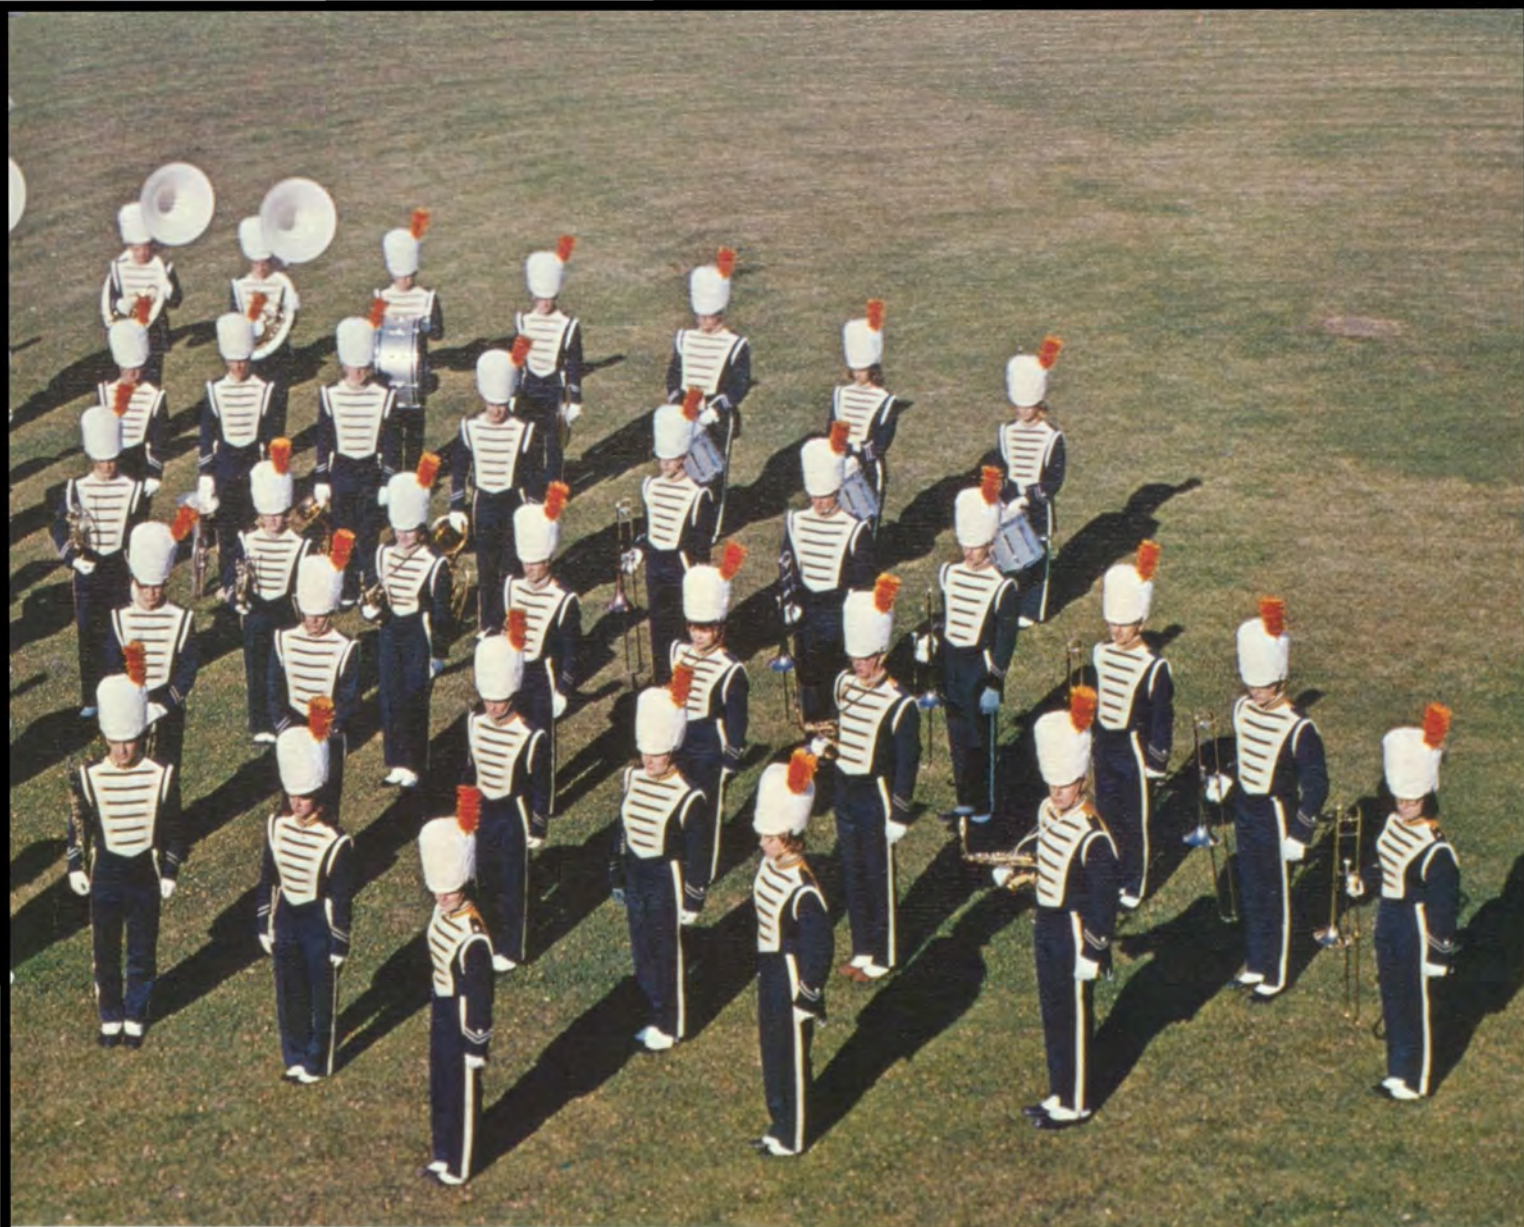

Wa-Hi has every reason to be proud of its tremendous band.

In November, they were the featured musical group at two Thanksgiving appearances and participated in a Sunday afternoon choral clinic in Pendleton with the famous choral conductor, Roger Wagner.

The extended choral work "Song of Christmas" was performed five times at various civic organizations and in the annual December concert at Lacey Auditorium.

Other plans for the year included the making of a record, various school and public concerts and the annual music contest in late April. During the school year, the choir made approximately twenty appearances.

Orchestra

The activities of the orchestra began with the string orchestra's playing in the Commons for the reception of Dr. Delbert Peterson followed by the fall concert for the public. At Christmas time, their performances included banquet music for the Elks Ladies' Christmas Party, the Christmas assembly for the students and a Christmas program with the full orchestra and choir for the public in Lacey Auditorium.

At Garrison Junior High, the group furnished banquet music for the Tri-State Administrators' dinner and for the PTA Birthday dinner, and later at Green Park, the PTA Annual Pot Luck. The winter concert with the band and choir was followed by the district contest at Yakima and a spring concert with the all-city orchestras.

This year the Wa-Hi Radio Show was put on by a group of students instead of the usual two disk jockies.

George Lathrop and Craig Bury (right) did the announcing with the aid of five other boys who helped with the gathering of news and production. Bob Holland, the technical advisor, built a broadcasting station in the gym. Mr. McCorkle was the faculty supervisor.

QUILL AND SCROLL, dedicated to promoting high quality journalism, is a national honorary society which recognizes students who have done outstanding work in high school publications. From the *Journal* and *Royal Blue* staffs come the members of Quill and Scroll. The officers for 1965-1966 were Jack Riehl, president; Don Mobley, vice president; Carol Collins, secretary; and Mrs. Bailey, advisor.

Striving to grant recognition to those students who have reached high levels of academic and social achievement, the *National Honor Society* bases its membership on four areas of qualification: scholarship, leadership, character, and service. Twice during the year, in the fall and spring, new members are received into the society during special "tapping" ceremonies.

Thirteen members, tapped as juniors, comprised the membership of the society as the 1965-1966 school year opened. Under the leadership of Steve Hahner, president; the society expanded its membership when 32 seniors were tapped late in the fall. Dr. George Ball, professor of Religion at Whitman College delivered the address at this tapping. The winter quarter saw 8 more seniors and 22 juniors inducted into the society. This assembly, which might very well mark a new trend, featured the Wa-Hi band performing in concert before the student body. Both seniors and juniors tapped this year were initiated as members of the National Honor Society at a banquet near the end of March.

The officers of the society elected each semester, who led the honor group through the 1965-1966 school term were: Steve Hahner and Bill Engeln, presidents; Steve Penland and Jim Briggs, vice presidents; Linda Hartley and Susie Keyes, secretaries; Sherry Jensen and Lynn Small, treasurers; and Mike Meiners and Bette Kinsfather, historians.

The Walla Walla Chapter of Future Teachers had several projects this year. Some members are teaching assistants who spend an hour or more a day assisting teachers in their classes. They set up lab experiments, put up bulletin board displays, instruct individuals or groups, and correct papers. Many other members contact ten other schools in the district which they help with correcting papers, putting up bulletin boards, tutoring, typing, and running off tests. Every Saturday morning members take part in the Whitman College clinic. They rate the junior Whitman students majoring in education. The purpose of this system is to iron out problems of the education majors before they student-teach and to give the future teachers an insight into teaching.

This year the Distributive Education Class participated in many activities. One of the money raising projects was selling D.E. Calendars. Carol Cross and Karen O'Brien represented their classes in the Olympia convention. At Christmas time Karen O'Brien was chosen as "Miss Merry Christmas" with her Snow Bunny helpers, Carol Cross, Susan Reiff, Maxine Nichols and Carol Wagner. In recognition of D.E. Week, a bulletin board was decorated in the main office.

Later in the year many students represented the Walla Walla D. E. Clubs in Spokane where they participated in meetings and entered skill contests. The students worked many hours on the scrapbook, a record of the year.

Window judging are Jan Frederick, Mary Weis, Carol Cross, Robbin Myers, Loni Finley.

F.D. HI-Y activities for the year consisted of service to the school such as cleaning the roadside by Abbott across from the school, directing traffic at several football games, running the chain gang and selling Wa-Hi license plates. The group sponsored a frolic and a hay ride and chopped wood for clocks which they donated to the commons. Members also attended the Hi-Y Spokane Youth Legislature.

It has been a busy year for the International Relations Club. In addition to regular monthly meetings, interested members were guests of the Knife and Fork Club for two of its programs. Also, an evening lecture series featuring Whitman College professors was arranged and made available to the entire student body. The model United Nations with Wa-Hi delegations representing Norway and Tunisia was held in April in Ellensburg.

The purpose of SPG is to stimulate the intellectual and cultural atmosphere of Walla Walla High School, thereby removing the overt social obstacles to rational and enlightened student government. Some of their activities included the caramel onion sale, a spontaneous hootenanny, the subscription to *Current Magazine* for the library, and the sponsoring of various bills in Legislative Assembly.

Club

A very active Key Club sponsored a frolic, burned the W for a Homecoming project and parked cars during football season. The main project was selling the school directories. Other worthwhile activities included sponsoring the "greased pig" contest during Sadie Hawkins week, holding several parties and hayrides, sponsoring a blood drive for the Red Cross and donating to the United Fund.

Future Farmers

This year the FFA Chapter has been busy with the FFA farm donated to the chapter by Mr. R. G. Jansen.

Members of the organization exhibited their livestock this spring at Spokane, Milton-Freewater, and Walla Walla where the boys helped improve their methods and skills of showmanship. One of their most rewarding accomplishments was a first place rating in the District Creed Contest. Next year promises a much wider and better program.

Sadie Hawkins

"Hill-billy Hitch or Caught in the Draft" was the theme for Sadie Hawkins week February 21-25. Army Greens and 44" licorice whips were on Monday. Appropriate for Wednesday were grubbies since the Greased Pig contest was held. Dill pickles were the noon-time treat. The Mr. Irresistible and Miss Gullible contests were held on Thursday with the girls in their pigtails and the boys in their suspenders and bow ties eating tootsie roll pops. Students in crazy colors showed a taste for bad taste as they ate red hotts and watched the assembly Friday. The week was climaxed with the dance Friday night with music by the Roadrunners.

The 1966 Royal Blue

Spring Supplement

We'll miss you.

Although MRS. ELIZABETH KIRKMAN, retiring German teacher, majored in Economics at Whitman College, she had taken many courses in German. Not really planning to teach as a steady job, she found that she really enjoyed teaching and was surprised at first to get paid for "having so much fun." In 1965 she had the pleasure of a summer's study in Cologne, Germany, and the opportunity to see much of the country. At Wa-Hi she has been a German and a Latin instructor for the past twelve years and has served on many committees. For several years, Mrs. Kirkman was also adviser to the National Honor Society.

MR. ROD HERMES, for the past sixteen years first a social studies teacher and then assistant principal, has found working with the students and faculty a rewarding experience. He has felt very fortunate to be a part of one of the finest high schools in the State of Washington.

There was never a dull moment for MRS. BETTY BLOOM, secretary to Mr. Hanson. She has enjoyed knowing many wonderful people, faculty and students. Although the most exciting experience was moving to the new building, preparing for commencement was also thrilling and sad, for many friends were leaving.

Having traveled to many parts of the world, MR. LEROY PELL has been a world history teacher at Wa-Hi for the past seven years. He organized the International Relations Club, a rewarding experience, and has enjoyed his teaching. Many fine people and excellent leaders have gone through his classes.

MR. MARSHALL SUGIYAMA has enjoyed his three years as mathematics instructor at Wa-Hi. He gained much experience and found both students and faculty friendly. Mr. Sugiyama plans graduate study.

Walla Walla City teachers honored with a reception MR. and MRS. ART JONES and other retiring teachers including MISS AGNES LITTLE and MRS. INA FOGARTY. Mr. Jones assistant superintendent, served the Walla Walla schools for 20 years (15 as superintendent); Mrs. Fogarty and Miss Little have retired again after being recalled to service this year.

MR. EDWARD KANTOLA has found most enjoyable his years as farm shop and Ag instructor. From his farm shop classes have come nineteen national winners in the Lincoln Arc Welding Foundation contest, including one first in the nation and one second. Sixteen of his thirty-seven years in the teaching profession have been at Wa-Hi. Mr. Kantola has appreciated working with many fine students in the excellent facilities provided.

VARSITY BASEBALL TEAM—FRONT ROW: Dennis Dickey, Ken Gates, Ron Johnson, Dave Stimmer, Wayne Dickey, Jim Margeson, and Ken Morgan. ROW 2: Bill Bieloh, coach; Dan Alley, Terry Cochran, Garry Christensen, Roger Hart, Scott Brotherton, and Larry Pierce.

B-SQUAD BASEBALL TEAM—FRONT ROW: Glen Hansens, Jerry Jones, Marve Maddess, Jim Buerstatte, Dave McBride, Genaro Coronado, and Jim Kanton. ROW 2: Marve Marchbanks, coach; Jerry Ledford, Mike Casey, John Ferrel, Hugh McEachen, Steve Reiber, Randy Pierce, and Steve Arland.

Baseball

The 1966 Baseball season came to a close with Wa-Hi finishing well down in the Yakima Valley League standings. Wa-Hi's batmen won 15 games and suffered 9 defeats out of 24 games played, 10 of which were league.

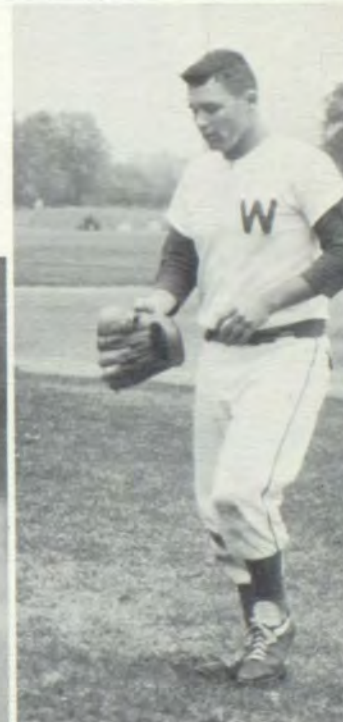

The list of team leaders is dominated by the names of Wayne Dickey and Ron Johnson. Dickey leads in runs scored (24), most hits (31), and stolen bases (9); while Johnson holds top honors in 3-base hits (4), runs batted in (26), and best average at the plate (.360). Johnson also tied with Larry Pierce and Garry Christensen for 2-base hits with 4 each, and with Dan Alley for home runs with 2 each. Ken Morgan was recorded as taking the most bases on balls with 12. Larry Pierce was credited with pitching a 6 win 4 loss season, with co-worker Dan Alley going 5-4 for Wa-Hi.

Missing next year from the line-up by graduation will be catcher Garry Christensen, second base, Wayne Dickey; left field, Jim Margeson; right field, Terry Cochran; right field, Dave Stimmer; pitcher, Larry Pierce; and Manager Herb Horn.

While winning two of their six dual meets (Mac-Hi and Richland), this year's track team gave evidence of a lack of depth and over-all distribution of talent which was apparent in "relay" and "invitational" competition. On the other hand, performances by two-miler Rich York, pole-vaulter Ron Dixon, and the mile relay team efforts of Randy Tysor, Bill Engeln, Tim Campbell, and Skip Wallace gave the Blue Devils something to crow about.

A series of sub-district meets beginning May 10th in Kennewick, and ending May 21st in Yakima, resulted in eight Blue Devils qualifying for the final district meet at Yakima. "Qualifiers" were Mike Meiners in the mile, Jim Nelson in the 880, Rich York in the 2-mile, Ron Dixon in the pole-vault, and Tysor, Engeln, Campbell, and Wallace in the mile relay. Only first and second place winners in

individual events, and first place winning relay teams qualify for State. The "better than ever" competition resulted in two Blue Devils winning the coveted honor of participating in the annual State Track Meet at Pullman May 27th and 28th. Rich York won his specialty as did Ron Dixon. Ron broke the district pole-vault record with a leap of thirteen feet eleven inches. His "effort" broke the district record by $1\frac{3}{4}$ inches, and the school record, which he had set earlier in the year, by eight inches. Ron is a junior.

A predominantly sophomore and junior squad will miss senior veterans Bill Engeln, Tom Lyons, Mike Meiners, Randy Tysor, Skip Wallace, and Rich York, but it looks forward with anticipation to help from an apparently strong group of incoming sophomores.

Although Wa-Hi netmen had a fair season, they did well in sub-district with Schaefer, Wendler, Storch, and Abajian reaching the semi-finals and Kenyon losing out in the finals. Next year competition will be keener as Wa-Hi will be in a league with the Tri-Cities, Yakima, Moses Lake, and Wenatchee. Prospects are good with five singles and two doubles each of boys and girls left. Returning lettermen will include five boys and six girls.

Commencement and Baccalaureate

The Class of 1966 joined the alumni of Walla Walla High School as the 74th Annual Commencement drew to a close. Many seniors participated in their own commencement exercises as band or choir members, student speakers or as recipients of awards. John Bradford was the recipient of the Marshall Alexander Speech-Drama Trophy; Don Schwerin received the Legislative Assembly Award; the Brown Trophy went to Garry Christensen; the Lawrence Jacky Award to Herb Horn; and the Arion Foundation Awards to Dee Anderson, Steve Demaris and Swannee Beck. Many others in the class have received awards and scholarships as they close their high school career.
